COMMUNITY RECGONITION FOR 'OUR MAYOR' OF CANNONSBURG

On May 1, 2015 the Rockford Area Community Endowment (RACE) honored Judge Stephen Servaas, Lyle Squires and myself, Don Kurylowicz, for individuals who made significant positive contributions to the community.

I was both humbled and honored by this recognition. Humbled for being in the company of Judge Servaas, and Lyle Squires, two men who have made a lifetime in the Rockford area. Surprisingly honored for just doing my job and having so much fun for over 30+ years. This honor that I am very thankful for has to be shared with all the people who helped restore the Village of Cannonsburg. My father (Red) who was there in the early days to help, all the staff that have come and gone, and all the neighbors and friends that have helped support and encourage are all a part of this honor. To paraphrase the line I truly believe "It takes a village to build a village". A special thanks Dick Davies for nominating me and a big thank you to the members of the RACE committee for granting this recognition to me.

COMING THIS SUMMER IN CANNONSBURG...

The Village of Cannonsburg has a lot going on this summer! To begin with, the Cannonsburg Trail is being extended from Townsend Park to the corner of Joyce Rd. and Cannonsburg Rd. Construction has begun in May and hopefully will be done

before the Fourth of July, weather permitting. The new parking lot for the trailhead and park on the site of the old McCarthy house (across from the Grist Mill) is being completed. In addition, the Grist Mill will become a Sunoco branded gas station in June. In a few weeks we will have all new pumps and a slight makeover. Last but definitely not least is that the Grist Mill will be serving ice cream and smoothies in the very near future! With all of this going on, we hope that you'll be able to stop by and enjoy in the fun and excitement this summer.

Honey Creek INN

Summer is here! We have been impatiently waiting for this time of

year all winter and spring. For some reason the warmer weather has had me thinking about New Orleans and, in particular, crawfish boils. There are not many things better than sitting around a table with friends and a big pile of crawfish with an ice cold beer.

Oh, you haven't tried that? Well, here's your chance! During Father's Day weekend on both Friday and Saturday nights we'll be having our very own 1st Annual Crawfish Boil at the HCI. We will take a very large pot and fill it with water, seasoned with Creole seasoning, Lemon, Onions, Garlic, and Mushrooms. We'll let this cook for a while and then we add Red Potatoes, Sweet Corn on the Cob, Andouille Sausage, and at the end, lots and lots of those little delicious Crawfish. It will come out to the table in one big pile and then you dig in family style. If all goes well with the first annual, the plan is to move it outside next year. As you can see, I'm pretty excited about this. I hope you'll be able to stop by to taste some crawfish and our other specials inspired by New Orleans for the entire month of June.

Thank you and Happy Summer!

June Weekend Specials

June 5th & 6th

Long-Bone Ribeye - We roast this giant Ribeye to a perfect rare and then sear it on the grill to order. It weighs in at over 3 lbs. and serves two. We are serving it this weekend with Marchand de Vin, a red wine, shallot, and beef stock reduction that means "wine merchant".

Crab and Shrimp Etouffee - A classic New Orleans dish traditionally served at weddings. It is a spicy mixture of fresh Crab and Shrimp in a sauce of Shrimp Stock, Blonde Roux, Plum Tomatoes, Green Peppers, and Onions, and served over steamed rice.

June 12th & 13th

Meffuletta Sandwich - The original sandwich of New Orleans, made famous by Central Grocery in 1906. This sandwich is piled high with ham, mortadella, salami, mozzarella, provolone, and topped with olive salad.

Soft-Shell Crab Po Boy - Soft-Shell Crabs, lightly dusted in cornmeal and Old Bay Seasoning, and flash fried. They are then piled into crusty New Orleans baguettes with Scallion Tartar, Napa Cabbage Lime Slaw, and Heirloom Tomatoes.

June 19th & 20th

Honey Creek's 1st Annual Crawfish Boil - See the description in the Honey Creek intro on this page.

June 26th & 27th

Sautéed Chicken Liver Orleans - Classic Cajun Livers, sautéed with Jalapeno, Onion, Celery, and Green Onions. The pan is then deglazed with Brandy and Demi-Glace to create a rich sauce. It is served over crusty, fresh baked bread.

Fried Oysters - Fresh Oysters, egg dipped and rolled in bread crumbs and Creole seasoning and fried.
