

2015 COLLECTIONS

Attention to Detail

Domestic Aluminum

Windward® uses the highest quality materials available for outdoor furniture manufacturing. All of our aluminum furniture is manufactured with commercial-grade, domestically milled, extruded aluminum. Many of Windward's® extrusions are proprietary and have internal reinforcing ribs to provide the additional strength expected when purchasing quality, domestically manufactured furniture.

^ Internally reinforced extrusions

To ensure lasting color and quality, our frames are sandblasted to create an ideal bonding surface. This preparation ensures your powder coat frame finish will not peel or chip. It is also an environmentally friendly alternative to other frame preparations used by other manufacturers.

Marine Grade Polymer

In 2012 Windward® proudly introduced marine grade polymer (MGP) into its product lineup. Since then it has expanded it's offering to include four more collections. MGP is a domestically made material that was originally designed to hold up in salt water environments on boats without fading or breaking down. It is a durable material that gives furniture substantial weight, a great option for windy environments. MGP products are available in three different frame colors that will not fade or breakdown in harsh environments.

^ The all new Malibu Sling MGP collection!

Commercial

Having built its roots in the commercial industry, Windward® knows what it takes to build a product capable of seeing high traffic. If you are working on a commercial project, inquire today about our contract catalog.

Sunbrella® Rain Waterproof Fabrics

Windward® offers Sunbrella® Rain waterproof performance fabrics in over twenty-five fabrics. Details on the available fabrics, pricing and how to order are available in the Windward® binder. Contact your sales rep or customer service for details.

Wicker

Windward® wicker collections are made from high quality synthetic wicker. This extruded resin is made with mildew deterrents, UV inhibitors to protect against sun damage and is water resistant. The color can be found throughout and will not fade. Each collection has it's own unique multi-toned, textured, natural look. They are made with fully welded powder coated aluminum frames and a durable vinyl seat support. Wicker frames are imported, all cushions are made to order at our factory in Sarasota, FL.

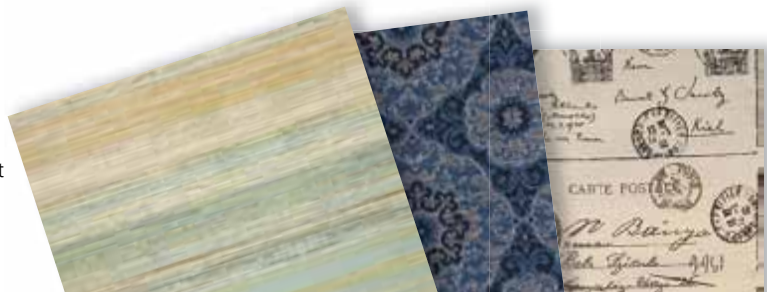

Padded Slings

Padded slings combine the low maintenance of a sling with the comfort of a cushion. It is an affordable alternative to cushion furniture, while not relinquishing the many cushion fabric design options. Padded slings use a sling fabric on the back, which makes up the support of the chair and a cushion fabric (or sling) on the front. Nonabsorbent polyester is used in between the two as the padding. Polyester is mold & mildew resistant and also allows water to drain right through, giving your padded sling a quick drying time.

Cut Yardage Programs

In addition to our extensive collection of high quality fabrics we are proud to also offer the Sunbrella®, Twitchell, Bella Dura and Outdura cut yardage programs. Details on how to order and prices are available in the Windward® binder. Contact your sales rep or customer service for details.

Our Story

Originating as Royal Patio Manufacturing, President and owner David Peace re-strapped furniture for hotels and condominiums on the west coast of Florida. In 1991, he was able to move the business from his backyard to a 12' x 24' storage unit located in Bradenton, FL, where his manufacturing equipment grew to include a diacro hand bender, a chop saw, a drill press, and a welder. David was still the company's only employee.

As the business and reputation progressed, David began manufacturing raw frames and component parts for other manufacturers and refinishers throughout Florida. Five years later, and a few factory moves across town, Peace purchased a small powder coating system and he began selling powder coated frames. The company's payroll increased to include about twenty employees and the business expanded to manufacturing complete strap furniture, earning the company a strong reputation for providing quality commercial grade furniture.

In 1997, The Windward Design Group® was born as a sister company to Royal Patio. That first year, Windward® developed the first sling

style dining chair and began selling them to retailers across Florida. The factory soon grew to include a sewing room, allowing the expansion of the furniture line to include cushion-style seating.

By 2002, Windward® was manufacturing eighteen different collections of furniture, including deep seating, cushion dining, sling and strap styles. In 2006, the line increased to include padded sling. A couple of years later, Windward® launched the Replacement Cushion Division. Now the Windward product offering includes two wicker collections and six marine grade polymer collections.

Today, Windward Design Group® operates in Sarasota, FL, where they produce over thirty-five collections, a full line of replacement cushions and employ over one hundred and thirty people. David Peace is still the President and two of his five children work by his side as well as his son-in-law. Although many things have changed the business culture has remained the same. We take pride in manufacturing quality, stylish products and offering them at competitive prices.

Padded Slings

- A sling fabric is used as the support for the chair, followed by a 2" layer of polyester and topped with a fabric designated for padded sling use.
- Double stitched using the industries top marine grade, UV resistant thread.
- Nonabsorbent polyester provides the cushion for padded slings. Water will drain right through, giving them a quick drying time.
- In addition to our extensive collection of stocked fabrics the Sunbrella®, Bella Dura, Twitchell and Outdura cut yardage programs are also available.
- Select fabrics available with the Sunbrella® rain water barrier.

Padded Slings

Padded slings offer the comfort of a cushion with the low maintenance of a sling and opens up the design options to include more traditional fabrics typically seen on cushions.

A sling fabric of your choosing is used as the support for the chair. Followed by a layer of 2" polyester and then topped with your choice of fabric designated for padded sling use.

Quality Construction
Layers are double stitched together using the industries top marine grade, UV resistant thread.

Polyester Fill
Nonabsorbent polyester provides the cushion for padded slings. Water will drain right through giving them a quick drying time.

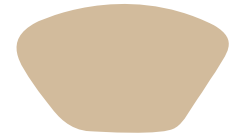

Place Mats

Item#	Description
WPLACEMAT4	Set of 4 Rectangular
WPLACEMAT6	Set of 6 Rectangular
WWEDGEMAT4	Set of 4 Wedge
WWEDGEMAT6	Set of 6 Wedge

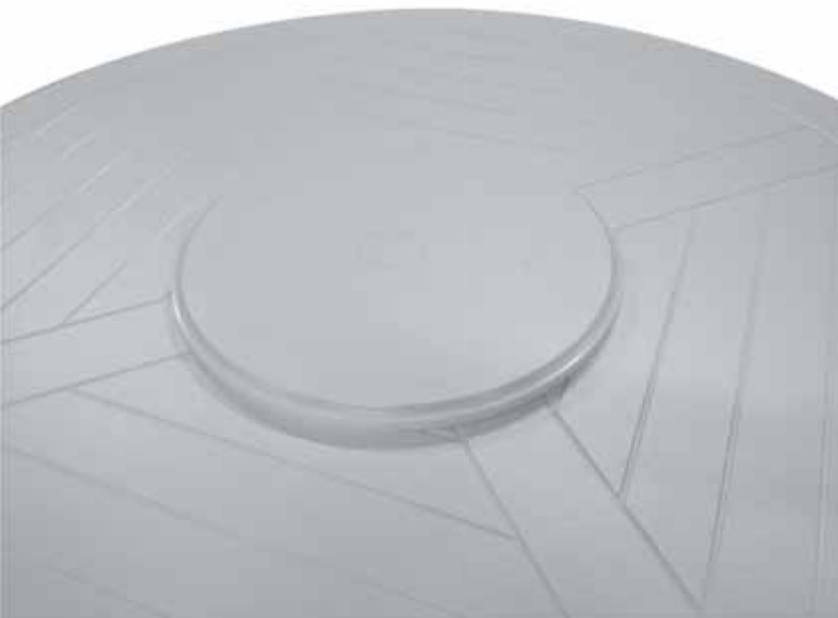

Rectangle

Wedge

Available in any fabric designated for cushions.

Lazy Susan

The lazy Susan is made from marine grade polymer (MGP) and is available in River White (RIWH), Greco (GRCO) or Flagstone Gray (FLGY). Comes standard with an umbrella hole and a coordinating hole plug.

Item#	Description
WLSUSAN16U	16" MGP Lazy Susan with umbrella hole
WLSUSAN24U	24" MGP Lazy Susan with umbrella hole

Screen Printing

Extend your brand or message outdoors by screen printing your logo or message onto umbrellas, vinyl straps, slings, cushions or pillows.

Arm Pads

Add Arm pads to any dining or cushion chair - Comes in sets of two. Arm pads are velcroed in place and are available in your choice of cushion fabric, uses non-absorbant, quick drying, polyester as the padding.

Item#	Description
WARM-PAD	Arm Pad, Set of two (fits all collections except Eclipse Sling and Harbourage)
WARM-PADLG	Arm Pad, Set of two (fits Harbourage collections only)

Deep Seating Cushion Styles

If no cushion style is specified, Standard will be assumed. The option of a cushion style does not apply to any wicker collection, which have their own unique cushion styles.

Standard Style Cushion
One Button, Velcro Ties

Box & Welt Style Cushion
No Ties
Available for a up-charge

Deep Seating Cushion Options

Customize your cushions with one of our many different cushion options. Available on deep seating cushions only.

Contrasting Side Panels
Choose a contrasting fabric for the side panels of box & welt cushions.

Contrasting Welt
(Box & welt cushions only)

Remove Or Add A Button
Choose to add a matching or contrasting button or remove a button.

Sleeves
Add a sleeve to the back of deep seating furniture. Available in your choice of cushion fabric.

Vinyl Strap Colors

Windward vinyl is 100% virgin 2" wide vinyl. Straps are made with mildew preventatives and ultra violet stabilizers.

201 White	215 French Blue	222 Buttercup	236 Burgundy
202 Vanilla	216 Royal Blue	224 Off White	237 Putty
205 Driftwood	217 Navy Blue	225 Red	248 Sherwood Green

Residential Warranty

Windward Design Group® offers the following consumer warranty to the original purchaser with proof of purchase. The consumer warranty is not valid for product used in a commercial application. The warranty is valid from the date of purchase to the original purchaser only. Proof of purchase (original sales receipt with purchase date) is required and photos may also be required to file a claim.

FRAMES

Windward Design Group® warrants all aluminum frames against defects in material and workmanship for fifteen (15) years from original date of purchase. Cast table tops and cast table base skirts are warranted for three (3) years against manufacturing defects. If your frame fails structurally during normal use, Windward Design Group® will repair or replace (at the manufacturer's discretion) the frame with the same product and frame, at no cost. If the product or frame finish has been discontinued, a similar item will be used. This includes labor during the first twelve (12) months. Note: Glide replacement is a necessary function in maintaining the furniture and should be accomplished on an annual basis, or more frequently, depending on the level of usage. Replacement glides are available for purchase from Windward.

WICKER FURNITURE

Wicker aluminum frames are warranted for ten (10) years against defects in materials and workmanship. The resin wicker is warranted for three (3) years against discoloration and breakage. Glass table tops that come standard with wicker tables are not covered in this warranty.

MARINE GRADE POLYMER

All marine grade polymer furniture frames and tabletops are warranted for fifteen (15) years against material defects, discoloration or cracking and are warranted for five (5) years against workmanship and structural failure.

VINYL STRAPS

Windward Design Group® warrants vinyl straps against breakage and rivet failure for three (3) years. Not covered is damage resulting from suntan lotions, bleach, solvents, strong chemicals, or the natural fading and normal wear and tear.

POWDER COATED FRAME FINISHES

The powder coated frame finishes on all Windward furniture frames and table bases are warranted against cracking, peeling, or blistering for fifteen (15) years. Cast aluminum table tops are warranted against cracking, peeling, or blistering for a period of three (3) years. Not covered is damage caused by the use of pressure washers, abrasive cleaners, bleach or other harmful chemicals. Natural fading and wear and tear from normal usage is expected and is not covered in this warranty. Minor variations in color and texture of finishes is not covered under this warranty.

SLINGS, PADDED SLINGS, CUSHIONS, UMBRELLAS AND PILLOWS

Slings, padded slings, cushions, umbrellas and pillows are warranted for one (1) year from date of original purchase against manufacturing defects. This includes the fabric/ sewing integrity and cushion/pad fill. Fading and or stretching resulting from normal usage are not covered by this warranty. Umbrella frames are warranted for one (1) year against manufacturing defects. Umbrella cord breakage on crank umbrellas is not covered.

TABLE TOPS

Punched aluminum, marine grade polymer, and acrylic table tops are warranted for one (1) year against warping and manufacturing defects. (Full marine grade polymer table top warranty can be found in Marine Grade Polymer section of this warranty.) Cast table tops and cast table base skirts are warranted for three (3) years against manufacturing defects.

WHAT IS NOT COVERED:

- Breakage, chipping, scratching of Punched Aluminum, Fiberglass, Glass, Acrylic and Faux Stone table tops. (Faux Stone table tops are hand finished and no two tops are alike. Differences in color saturation and shade are expected.)
- Failure caused by fire, freight damage or acts of nature (such as, not limited to, freezing, high winds or animal defecation)
- Commercial usage (i.e.: use in a rental unit, or public location)
- Damage caused by suntan oil, bleach or any other abrasive cleaners or chemicals. See care & maintenance for appropriate cleaning.
- Unreasonable or abusive usage, see Care & Maintenance on how to properly maintain furniture.
- Scratched or chipped paint due to abuse (touch-up paint is available)
- Minor variations in color and texture of frame finishes
- Normal wear and tear
- Mildew or fading of fabric, frame finish or vinyl straps
- Repairs made by any party other than authorized Windward personnel.
- Furniture glides and end caps. Glide replacement is a necessary function in maintaining furniture. Replacement glides are available for purchase.
- Umbrella bases
- Moving components (i.e.: fiberglass spring plates and glider arms)
- Any shipping costs & labor regarding warranty claims after one (1) year.

Commercial Warranty

Windward Design Group® offers the following commercial warranty to the original purchaser with proof of purchase. Photos may be required to file a claim. This commercial warranty does not apply to beach rentals.

FRAMES

Windward Design Group® warrants all aluminum frames against defects in material and workmanship for five (5) years from original date of purchase. Cast table tops and cast table base skirts are warranted for three (3) years against manufacturing defects. If your frame fails structurally during normal use, Windward will repair or replace (at the manufacturer's discretion) the frame with the same product at no charge. If the product or frame finish has been discontinued, a similar item will be used. This includes labor during the first twelve (12) months. Note: Glide replacement is a necessary function in maintaining the furniture and should be accomplished on an annual basis, or more frequently, depending on the level of usage. Replacement glides are available for purchase from Windward. Many of our sling dining chairs require additional bracing (i.e. bolt thru) to be warranted for commercial use. Please refer to the Windward Contract catalog and price list for more information on which collections this applies to.

WICKER FURNITURE

Wicker aluminum frames are warranted for five (5) years against defects in materials and workmanship. The resin wicker is warranted for three (1) years against discoloration and breakage. Glass table tops that come standard with wicker tables are not covered in this warranty.

MARINE GRADE POLYMER

All marine grade polymer furniture frames and tabletops are warranted for five (5) years against material defects, discoloration or cracking and are warranted for one (1) year against workmanship and structural failure.

VINYL STRAPS

Windward Design Group® warrants vinyl straps against breakage and rivet failure for three (3) years. Not covered is damage resulting from suntan lotions, bleach, solvents, strong chemicals, or the natural fading and normal wear and tear.

POWDER COATED FRAME FINISHES

The powder coated frame finishes on all Windward furniture frames and table bases are warranted against cracking, peeling, or blistering for five (5) years. Cast aluminum table tops are warranted against cracking, peeling, or blistering for a period of one (1) year. Not covered is damage caused by the use of pressure washers, abrasive cleaners, bleach or other harmful chemicals. Natural fading and wear and tear from normal usage is expected and is not covered in this warranty. Minor variations in color and texture of finishes is not covered under this warranty.

SLINGS, PADDED SLINGS, CUSHIONS, UMBRELLAS AND PILLOWS

Slings, padded slings, cushions, umbrellas and pillows are warranted for one (1) year from date of original purchase against manufacturing defects. This includes the fabric/ sewing integrity and cushion/pad fill. Fading and or stretching resulting from normal usage are not covered by this warranty. Umbrella frames are warranted for one (1) year against manufacturing defects. Umbrella cord breakage on crank umbrellas is not covered.

TABLE TOPS

Punched aluminum, marine grade polymer, and acrylic table tops are warranted for one (1) year against warping. (Full marine grade polymer table top warranty can be found in Marine Grade Polymer section of this warranty.) Cast table tops and cast table base skirts are warranted for three (3) years against manufacturing defects. (See Powder Coated Frame Finishes section for cast and punched aluminum finish warranty.)
