As a member of this grand community, we are proud of the fact that we have instituted a self-imposed "community responsibility fund". Liberty uses a percentage of every dollar you spend to support the Tbonez Foundation, Inc. With these monies, we support various charities, service projects, schools and deserving individuals who make daily contributions for the betterment of our communities. We have always felt we have a strong responsibility to give back to the communities that nurture us and we thank you for helping us achieve this goal!
