

The Beer Garden is our newly renovated patio, completely enclosed with air condition and heat to provide an optimal environment for entertaining your guests all year long. This space offers an added bonus of a full service bar with twelve taps, as well as a full assortment of liquor, bottled beer, and wine. For presentation purposes, the Beer Garden is also equipped with a multi-media outlet, though sound is not available.

The Beer Garden seats up to 80 people, and requires a MINIMUM of 30 people for a reservation. Reservations provide a minimum of one bartender, and three servers, depending on the size of the group.

Menu options are calculated per guest and available in a range of prices which are negotiable depending on the menu. Menu selections are available for Buffet Style service, or a more formal Three Course Dinner format.

There is a Non-Refundable Room fee to reserve the Beer Garden, which is separate from the dining bill, and varies based on the day and time of the reservation. This fee guarantees your guests 3 hours of private dining and the pleasure of enjoying the experience you have designed!
