

*May your marriage be blessed
With all things good
May your joys together, like the stars at night
Be too numerous to count*

*May your love for each other be more abundant
Than all the grains of sand
On all the beaches,
On all the oceans,
In all the world.*

*May lack and struggle only serve to make you stronger,
And may harmony, forgiveness, and trust
Be the foundation upon which your love is built.
And when there is only darkness and doubt,
And the storms of life are closing in on you,
May you take each other's hand
And allow the light of hope to guide you safely home.*

*When you are tempted to judge each other,
May you be reminded that you are one,
And when you cannot share your love fully because of fear,
May you remember that love flows best when it flows freely.*

*May you always feel cherished and protected,
Cradled within each other's hearts,
May you be blessed from this day forward,
With a more abundant love than the day before,
And may others be blessed by you.*

*This is my heartfelt wish for you,
May you be blessed,
May your marriage be blessed
Amen*
