2 person team event with 2 divisions: Rx Women and Rx Men
Limited to 50 teams of 2, per division
Entry 100\$/person or 200\$/team, per event.

*** What is so unique about this competition??....We will pay out the top 30% of the field in each division regardless of the field size. This means the larger the field the more \$ you will all make!

Based on a full field, the top team could win 2000\$/team and the 16th place team will at least make their entry back. Purse will be determined before competition starts and posted on site based upon the field size.
